ARTIST AND AUTHOR INFORMATION

ARTIST AND AUTHOR BOOTHS

*Please send us a bio and some photos of your art or book covers.
We will begin highlighting authors and artists later this week!*

Booth sizes will vary by venue. Typically the buildings have 8' by 8' booths and the tents have 10' by 10' booths. Author booths will be approximately 5' by 6'.

Each booth will have a table and two chairs provided. A few extra chairs will be available if you need an additional chair.

Absolutely NO art will be allowed to be displayed on the walls of the buildings. We are allowed to use these venues free of charge and we need to take care of them.

If you need electricity, please bring long extension cords to reach power boxes or recepticals that may be a distance away.

If you are in a tent, please feel free to bring your own 10' by 10' popup tent which you can set up inside the big tent. It helps with identifying the separate spots.

Information on sales tax will be included in your packet on the day of the show.

You can preregister for next year's show at the event. We will continue the \$25 booth registration fee for 2024.

You can also make a "Pay If Forward" donation if you would like to do so based on your sales. It is not required, but if you do, all proceeds will be used toward expenses for next year's show!

Bring a lot of art! Advertise the show heavily! You are the best advertising for the show!
